THE
BUILDING
BLOCKS
OF FAITH

Dear Parents,

This week was our second study in our salvation series. This second lesson was entitled "Jesus = Salvation." In this lesson, we focused on helping our students understand that only through faith in Christ's work on the cross can they be saved from death. They were challenged to discover and live out God's purpose for their lives.

We looked at the following Scripture passages:

- Matthew 1:18-23
- John 14:6
- Acts 4:12
- Ephesians 2:1-10

Next Steps . . .

During the next week as you have time to talk with your teenager, consider asking the following questions:

- What was one thing that stood out for you in this lesson?
- Why is it so hard to overcome the idea of our good work somehow making justifying God's love for us? Why is that way of thinking so ingrained in our personalities?
- In your day-to-day life, how would you describe your purpose in life? What do you think God might be calling you to do as you grow up?

Thank you for all you do! If you have any questions about anything, please don't hesitate to call me.
