THE
BUILDING
BLOCKS
OF FAITH

Dear Parents,

Hello! This week was Week 2 of our series on God's glory. We had an excellent time together, and I hope your teenager got to see God's glory in a new way!

The lesson was entitled "Glory Displayed." It focused on helping students understand the role Jesus played in physically demonstrating God's glory on this earth. We led them to discuss what the effect of truly "seeing" Jesus' glory has or could have on their relationship with Christ.

We looked at the following Scripture passages:

- John 1:10-14
- Hebrews 1:1-3
- John 17:1-5
- John 2:1-11

You'll enjoy reading these passages and see how God's glory was displayed through His Son.

Next Steps . . .

During the next week as you have time to talk with your child, consider asking the following questions:

- What do you think God was trying to communicate to us when He sent Jesus into our world to live among us? What's the significance?
- What does Jesus tell us about who God is? What about Jesus' life demonstrated God's glory?
- Have you ever thought about what it must have been like for the disciples to spend three years with Jesus? What do you think it was like to spend time with Him?
- How was God showing His glory when Jesus hung on the cross?

If you have any questions about anything, please don't hesitate to call me. I'm looking forward to our final week of this series.
