THE
BUILDING
BLOCKS
OF FAITH

Dear Parents,

We began a three-week series on God's mission this week. The first lesson was entitled "Made Right," and it focused on helping students understand that God has been on a mission from the very beginning to rescue all people in all places.

We looked at the following Scripture passages:

- Genesis 12:1-3
- Deuteronomy 6:20-24
- Zechariah 1:1-6
- Isaiah 53:5-7

You'll enjoy reading these powerful passages and seeing God on mission in each one.

Next Steps . . .

During the next week as you have time to talk with your teenager, consider asking the following questions:

- Our church talks about going on mission trips frequently. Had you ever thought about God being on a mission? What does that mean exactly?
- How does God's mission intersect with our lives? Where do we see it as it affects our family? Does God have a purpose for you? If so, what do you think that might be?
- How does it make you feel to know that God's rescue mission includes rescuing you, and using you to help Him rescue others?

Thank you for all you do. If you have any questions about anything, please don't hesitate to call me.
